

What types of activities are NOT eligible?

The Ministry of Education has developed a list of activities that may not be chosen as community involvement activities and that are therefore ineligible activities. An activity that is not eligible is one that:

- would normally be performed for wages by a person in the workplace
- is a requirement of a class or course in which the student is enrolled (e.g. Cooperative education, job shadowing, work experience)
- takes place during the time allotted for the instructional program on a school day other than during the student's lunch break or "spare" period
- takes place in a logging or mining environment if the student is under sixteen years of age
- takes place in a factory, if the student is under fifteen years of age
- takes place in a workplace other than a factory, if the student is under fourteen years of age and is not accompanied by an adult
- involves the operation of a vehicle, power tools, or scaffolding
- involves the administration of any type or form of medication or medical procedure to other persons
- involves handling of substances classed as "designated substances" under the Occupational Health and Safety Act
- requires the knowledge of a trades person whose trade is regulated by the provincial government
- involves banking or the handling of securities, or the handling of jewelry, works of art, antiques, or other valuables
- consists of duties normally performed in the home, such as daily chores, or personal recreational activities
- involves a court-ordered program (e.g., community-service program for young offenders, probationary program).
